Team-based development

MAKEUP YOUR MIND

• API •

• [LIVE SITE](#) • [GITHUB REPO](#) •

A JavaScript app that allows users to enter a product they would like recommendations on and add filters to generate a list of makeup. Uses an API to query the product list and filters.

SAVVY GRAN'S ADDRESS BOOK

• REACT/FIREBASE •

• [LIVE SITE](#) • [GITHUB REPO](#) •

An address book app built with React and Firebase that allows users to add a name and address then, save it with the ability to sort by first or last name.

Pleasant Valley Inclusive Theatre (May 2019 - June 2021)

Program Director

- Designed and founded an inclusive theatre program for all under 18 and adults with special needs.
- Organized and supported staff for acting and tech camps, & planned which productions would be performed.
- Maintained fluid lines of communication with parents, students, and staff, keeping them current with all necessary information by sending weekly emails and holding meetings as needed.

Frontier Airlines (October 2018 - December 2018)

Flight Attendant

- Resolved disputes and issues with passengers by implementing the LAST (Listen Apologize Solve Thank) method.
- Communicated and collaborated with pilots, ground crew, staff, passengers, and fellow flight attendants to make certain that safety protocol and procedures were adhered to.

Salem Media Group (July 2017-April 2018)

Log Editor

- Successfully input, organized, and tracked radio advertising spots using Wide Orbit for several affiliate radio stations to guarantee ad units and programs ran smoothly.
- Assisted sales team on proper submission requirements to ensure timely placement of ad spots and communicated concerns to management as needed.
